 BlubaughAngusRanch

### The Blubaugh Family

Dear Friends and Fellow Cattlemen,

Our family at Blubaugh Angus Ranch is happy to welcome all of you to our 10th Annual "Pride of the Pasture" Auction. This year we will be offering the opportunity to bid on our quality Angus and commercial cattle both in person and online through a live streaming partner. Your continued patronage and support is why we're able, and willing to produce high quality stock year after year in hopes that we can not only improve our own operation, but yours as well.

This auction's bull lineup serves as a major transition point for our operation. Over the past several years we have been retaining some of the best bulls we've ever raised, as our older herd sires have aged out. An incredible Reflex son, a powerhouse son of Quarterback and our very own Bluegrass 904. We're excited for you to see some of the first calves from these up-and-coming Blubaugh herd sires. In addition to these new sires, we still have calves from ranch staple sires such as Explorer and Windbreaker available for your breeding needs.

Additionally, we're able to bring a consistent set of Angus females from all over the region that truly exemplify maternal character and production quality. The reliable bloodlines of elite donor females like Champion Hill Peg 8086 and SAV Blackcap May 4136 are peppered throughout the catalog. Other staple cow families such as Abigale, Elsa Erica and Elba are present throughout our offering. We genuinely hope you're able to find a female that'll fit your operation's needs.

And as the case is every year, we want to thank our wonderful consigners. With their help we have a consistent and high-quality lineup of both bulls and females of all ages. Last, but certainly not least, thank you all for your continued patronage to our operation. It is truly a year-round job to put a sale together, and it would be impossible without our wonderful buyers who continue to support our family. If you have any questions or requests for additional information, feel free to contact us. We look forward to seeing as you on sale day, **Saturday April 22, 2023!**

*Zane Blubaugh and Family*

# *Pride of the Pasture Auction*

## **Noon • Saturday, April 22, 2023**

**at 10375 South 44th St., Tonkawa, OK (I-35 & US Hwy 60)**

### **SALE DAY PHONES:**

Zane Blubaugh (580) 761-4078  
Cletus Blubaugh (405) 627-9721  
Jamie Case (918) 331-5961  
Scott Blubaugh (580) 761-0923

### **AUCTIONEER:**

Matt Sims

### **LIVESTOCK PUBLICATION REPRESENTATIVES:**

Jeff Hallowell, Stock Exchange  
Colton Pratz, Oklahoma Cowman  
Bud Mears, High Plains Journal  
Calvin Crumrine, Special Assignment

### **DIRECTIONS TO THE SALE SITE:**

**Sale Barn Address:** 10375 S. 44th St., Tonkawa, OK  
(I-35 & US Hwy 60); 1/2 mile east, 1 1/2 miles south, turn west to  
sale facility. (Follow Signs)

### **ACCOMMODATIONS:**

**Tonkawa Hotel & Casino** (580) 308-8410  
16601 W South Ave, Tonkawa, OK 74653  
Room rates are as follows when using the code "Blubaugh Angus Sale".  
**Thursday – Saturday:** King \$65.00/night + Tax, Double \$75.00/  
night + Tax

### **HERD HEALTH:**

All cattle will be accompanied by proper health certificates for  
immediate shipment.

### **SUPPLEMENTAL INFORMATION:**

A supplemental sheet will be available sale day with complete and  
up-to-date information. Announcements from the auction block  
take precedence over sale book information. Carrier and potential  
carrier status noted throughout.

### **TERMS AND CONDITIONS:**

Cattle will sell under the suggested Terms and Conditions of the  
American Angus Association ([http://www.angus.org/Pub/suggested\\_sale\\_terms.pdf](http://www.angus.org/Pub/suggested_sale_terms.pdf)). We guarantee that all bulls are fertile to the best of  
our knowledge and have passed a breeding soundness exam prior  
to the sale. Although all bulls have passed a BSE, we know certain  
problems can arise after you receive your purchase. We guarantee  
all bulls against breeding injury and to be sound breeders for the  
first breeding season which is defined as the 90-day period following  
the first turnout of the bulls. We will provide you with a satisfactory  
replacement, if available, or issue a credit equal to the bull's purchase  
price minus the salvage value received for that bull. This is not a  
life insurance policy, however. Selling two-thirds interest and full  
possession on all service-age bulls, unless otherwise noted.

### **PRESALE VIDEO:**

Videos of some of the sale animals will be available online prior to the  
sale.

### **DELIVERY:**

Free delivery on bulls within a 250-mile radius for purchase of \$3000  
and up. Blubaugh Angus Ranch can make arrangements for female  
delivery at buyer's expense.

### **VOLUME DISCOUNTS:**

5% on 5-9 bulls, 10% on 10 or more bulls.

### **FOOD AND REFRESHMENTS:**

Complimentary lunch will be served at 11 AM on sale day at the sale  
site.

### *Special Guests*

**Calvin & Cristy Crumrine, Tonkawa, OK**  
**Jones Brothers Cattle Co. - Brett & Ryan Jones, Ardmore, OK**  
**Molly Moo Farm - Deana Wolfe, Reeds Spring, MO**  
**Robertson Angus - John & Jolene Robertson, Ponca City, OK**  
**Tarter Angus Farms - Chris & Debra Tarter, Galena, MO**

EPDs current as of March 7, 2023.

# **LiveAuctions.TV**

**Sale Day Tech – Callee Fischer (580) 512-0945**

See page 24 for more information.

### **CALVING EASE RATING:**

- \*\*\* Excellent calving-ease, use with confidence on heifers
- \*\* Moderate calving ease, use with discretion on heifers.
- \* Recommended for use on cows only.

# Reference Sires

\*\* It's hard to find a herd sire built like this even among the most premier ranches across the country. Backed up by both Blackcap May 4136 and Champion Hill Peg 8086 on his paternal side, this bull has the easy-keeping body capacity that's both easy on the eyes and on the feed bill. Moderate in his birthweight values and incredibly capable is his structure, this is a bull that'll serve mixed age herds for years.

\*\* Here's a bull that backs up an impressive set of genetics with ample substance and capacity well assessed visually. Boasting top 20% values for both weaning and yearling weights, this bull is still moderate in his birth value. But even if you want to disregard his papers. This grandson of Blubaugh Olympic Gold 563 still far exceeds the herd sire fundamentals of rib, stoutness and a quality of structure.

## Grandsire to Lots 3-5: Buford Bluestem B355

# Commercial Bulls

## 19 Blubaugh CJ92

Birth Date: 2/15/21 **BULL** Tag: CJ92 Sire: Blubaugh S Bluestem 908

\* An incredibly powerful and rugged built bull ready to add dividends to your calves. While he may not be papered, this Angus cross bull is one of the thickest made sires of this year's offering. Big hiped and as wide as they come when appraised from behind. Hitting the ground with a big foot and tons of bone, this is one that is more than able to create robust and shapely calves that'll hit the scales heavier upon weaning.

BW
55
205 WT
590

## 22 Blubaugh J158

Birth Date: 4/15/21 **BULL** Tag: J158 Sire: Buford Bluestem B355

\*\* Now here's a well-rounded sire prospect with the trademark masculinity and rib shape attributed to the Bluestem line of bulls. Plenty thick and dimensional when viewed from behind, he's sure to add pounds of product to the herd. Big footed as he steps to the ground, this bull is built correct and stout at his foundation traveling up to a big top.

BW
66
205 WT
430

## 20 Blubaugh J152

Birth Date: 2/15/21 **BULL** Tag: J152 Sire: Blubaugh S Bluestem 908

\* Here's a bull that's well-balanced from nose to tail. He travels and hits his stride comfortable while presenting ample rib and capacity. Relatively moderate, with a robust barrel rib, this bull should easily influence your calf crop with the added pliability and productivity that we all strive for.

BW
69
205 WT
640

## 23 Blubaugh J177

Birth Date: 8/1/21 **BULL** Tag: J177 Sire: Blubaugh CHF Privilege 6030

\*\* A more moderate bull ideal for producers seeking to keep frame score in check. He's an incredibly soft made type of sire that presents a robust rib as he travels away. Not to mention, he has the added power attributed to his sire, SAV Privilege 6030. One that always proven reliable, a valuable addition to any producer's pasture.

BW
68
205 WT
425

## 21 Blubaugh C101

Birth Date: 3/1/21 **BULL** Tag: C101 Sire: Blubaugh S Bluestem 908

\*\* With plenty of visual growth and extension, this bull presents the valuable range ready look that any cattleman would value. Masculine from his shoulder forward, this bull hits the ground with more substance and circumference. This reliable, robust build in addition to the needed flexibility and you can be sure he'll be successful out in the pasture.

BW
67
205 WT
525

## 24 Blubaugh J184

Birth Date: 8/15/21 **BULL** Tag: J184 Sire: Commercial Bull

\*\* Here's a bulky bull with the rugged nature expected of a reliable herd sire. Masculine about his feature, this big footed and wide pinned bull packs all of this power into an efficient package. Being more moderate in his kind, this sire is capable of moderating larger cows without sacrificing general thickness.

BW
71
205 WT
475

## 25 Blubaugh 5005

Birth Date: 10/21/21 **BULL** Tag: 5005 Sire: Commercial Bull

\*\* Don't let his age fool you, this bull has quality throughout. Moderate in his kind and super smooth built, he's a flexible bull ready for the pasture. Striding out long and comfortably, this well-balanced bull still isn't shy for depth of body or capacity when viewed from the rear.

\*\*\* This excellent Quarterback son is one of the best options of the sale for those needing a bull to service heifers. Super capacious when viewed from behind, this bull gets out on a robust and range ready foundation. In the top 20% for birth weight predictors, this masculine grandson of OCC Uprising 803U will be able to reduce dystocia rates among the herd.

**38**

\* Here's the sole son of a powerful ranch born and raised sire Blubaugh Three Sands F853. As growthy and thick built as they come, this high yearling weight bull has some of the most impressive muscularity of this year's bull crop. Big footed, stout pinned and wide topped with plenty of shape. This bull is a perfect option for not only making steer progeny, but even breeding bulls. Recommended for use on mature females.

*Country of Original Labeling*  
**Product of USA**

Scott and his leadership counterparts across the country have been relentless over the last few years in their push to restore Country-of-Origin (COOL) Labeling to the United States meat industry. A major component of this fight is clarification of the "Product of USA" label. Currently, even meat that is shipped from another country and REPACKAGED in the U.S. can carry the "Product of USA" label. This legal misuse of the label confuses consumers and robs America's cattle ranchers of the ability to distinguish their products from the foreign supply of meat.

While a return to mandatory COOL has not yet happened, U.S. Secretary of Agriculture Tom Vilsack recently announced a way to close the "Product of USA" loophole. The USDA has released a proposed rule with new regulatory requirements to better align the "Product of USA" label claim with consumer understanding of what the claim means. The proposed rule allows the voluntary "Product of USA" or "Made in the USA" label claim to be used on meat, poultry and egg products only when they are derived from animals born, raised, slaughtered and processed in the United States.

While the rule is not yet finalized, it signals a more transparent beef market is on the horizon. Scott and his colleagues welcome the rule change and are pleased to see their hard work paying off for ranchers nationwide.

This heifer is not only extremely capable on the brood cow fundamentals of body and structural correctness. She's stout pinned and wide when viewed from behind, this more moderate breeding piece has the extra thickness and higher growth indicators that should aid in fostering profitable terminal offspring.

A moderate heifer that comfortably meets the benchmarks for reliable breeding stock. Sleek built and smooth in her joints, this heifer has the enduring foundation that will allow her to mature into a foundation brood cow prospect. Still built with the required stoutness needed for producing calves that'll always turn a profit.

## Open Commercial Heifers

**94**

### Blubaugh C2001

Birth Date: 4/1/22 COW Tag: C2001 Sire: Blubaugh Wishbone F41

Another female out of the tremendous Blubaugh Wishbone F41 bull, similar to her registered counterparts this heifer is built with tons of quality. Starting from the ground up with a robust foundation that's super flexible, this allows her to more efficiently and reliably create a soft and productive body type. The kind of cattle you can't go wrong with.

**95**

### Blubaugh C2005

Birth Date: 1/25/22 COW Tag: C2005 Sire: Blubaugh Convoy 940

The first offering of up-and-coming Blubaugh bred sire, Blubaugh Convoy 940, we're excited to see his growth and extension present itself well in a maternal package. Feminine from the profile and built smooth from nose to tail, this young heifer is a prime candidate as a replacement for aging cows in a commercial herd.

**96**

### Blubaugh C2006

Birth Date: 3/1/22 COW Tag: C2006 Sire: SAV Ten Speed 6021

Another exceptional daughter of Blubaugh Ten Speed 6021, she's got all of the growth potential and general extension associated with her sire. From the profile she reads extended ahead of her shoulders moving back to a level top with plenty of angularity to hip. Stepping to the ground on a deep heel, she's one that's built to last a while.

**97**

### Blubaugh C2007

Birth Date: 4/1/22 COW Tag: C2007 Sire: Blubaugh Wishbone F41

Don't let her younger age draw you away, this female is still built with tons of brood cow potential. A feminine look of quality that is sure to blossom in to genuine maternal character. She's moderate in her frame and flexible in her kind, the kind of qualities any cattleman looks for.

## Commercial Bred Cows

**98**

### Blubaugh H042

COW Tag: H042 Sire: SAV Reliant 4836

A highly productive young cow just approaching her prime breeding years. Plenty of rib and thickness from behind, she should calve out her second calve shortly after the sale.

7 months bred at sale time. Pasture Exposed to Blubaugh S Charlo 8012 and Blubaugh S Achiever H049, 4/23/22 - 10/1/22.

**99**

### Blubaugh J156

COW Tag: J156 Sire: Commercial Bull

Here's a maternal, easy-fleshing young cow built from the ground up off of a wide foundation. Some added bone and thickness, she's a prime option for commercial producers looking to maximize power.

8 months bred at sale time. Pasture Exposed to Blubaugh S Charlo 8012 and Blubaugh S Achiever H049, 4/23/22 - 10/1/22.

Here's a high-quality calving ease female that'll pair perfect with a powerhouse sire of your choice. Posting ratios in the top 2% of the breed for both calving ease and birth-weight, this heifer is certainly unique. Built right from the ground up, she's proven herself productive over the years.

- Pasture Exposed to OSU Monumental 9151 (19368385) from 7/1/22 to 11/1/22.

## Bull Care • Caring For Your Bull

**1.FEEDING:** Remember – the bull is a yearling or a long yearling and still has some growing to do. Feed the young bull well. Hay and grain plus protein supplement will be adequate. You should feed 5 to 10 pounds of grain and 1 to 2 pound of protein supplement in addition to free choice of high quality hay from now until the start of breeding season is recommended, if practical. After the first breeding season, continue to feed liberally so the bull will grow out well.

**2.BREEDING SEASON:** Plan to use the new bull in a restricted 45 – 60 day breeding season the first time. Observe him closely to be sure he is serving and settling females.

**3.NUMBER OF COWS:** The yearling bull should be used on a minimal number of cows or heifers. The number should be governed by his age at the start of the breeding season. The following is a guide:

BULLS AGE.....	NO. OF FEMALES
12-15 Months.....	10-12
15-18 Months.....	12-18
18-24 Months.....	18-25
24-Over 24 Months.....	25-35

**4. MANAGEMENT AND HOUSING:** The bull should be kept in a well-fenced lot prior to and following breeding season. A shed or other natural windbreak should be provided. Supply plenty of clean water and minerals free choice. Treat routinely for lice and grub worms. Run bulls together with caution. Bulls of similar age which have bred cows together will usually work. Check for any unsoundness which might develop. Test annually for brucellosis and leptospirosis. Vaccinate for IBR, P13, BVD and leptospirosis.

This female strikes with a presence of feminine quality and maternal reliability from all angles. Tons of center rib and efficient in her kind, we expect this cow to balance well with a wide variety of potential sires.

**117A** • Heifer calf at side born 12/18/22 sired by JFRMS Scandal 0118 (20189790). Pasture exposed to JFRMS Scandal 0118 from 12/25/22 to 3/1/23.

## Buyer Testimonials

"I have been using Blubaugh bulls for greater than 10 years. I have noticed improvement in the quality of my calves. I am confident that their genetics produce superior calves and bring more value to your calves. My calves topped the market at the Joplin sale in late February, my 550 weight calves brought \$2.62/lb. I have been impressed with the disposition of the bulls and the improvement with rapid weight gain of my calves. I would highly recommend Blubaugh Angus Ranch for improvement, quality, and performance of your herd. They produce great bulls and stand behind them."

**Kent Griffith - 4G Farms - Vinita, OK**

"We've been using Blubaugh bulls for the past ten years on our commercial cows. The Blubaugh's always have the genetics we're looking for. Their bulls have given us the opportunity to sell our heifers as replacements as well as improve our own herd. The Blubaugh family is always willing to help us with our breeding decisions. The Blubaugh's are a true asset to the cattle industry by providing top genetics to help other producers create a better product for the consumer."

**Jeff Kreger - Kreger Farms - Tonkawa, OK**

"I think Blubaugh Angus Ranch is the Schaff Angus Valley of Oklahoma."

**Deana Wolfe - Molly Moo Farm - Galena, MO**

"I have had a great experience with using bulls from Blubaugh Angus. My experience has been calving ease, gentle disposition and good growth numbers. My steers last year averaged 675 pounds at 10 months old. I will continue to purchase Blubaugh cattle when I have the opportunity."

**Don Forrest, Norwood, MO**

"Great cattle, but even better people!"  
**Jay and Kelly Brunson, Tuttle, OK**

## LiveAuctions.TV

Can't join us sale day? Consider using our online bidding services!

**Sale Day Tech – Callee Fischer (580) 512-0945**

Go to **www.LiveAuctions.tv**. Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. You only have to register once. Click "Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage or "All Auctions" webpage and click on it (auctions are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see

your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top left corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.

If you need help registering to bid or to view the auction please call:

Technical Support at (682) 816-4900 or e-mail us at [TechSupport@LiveAuctions.tv](mailto:TechSupport@LiveAuctions.tv).
